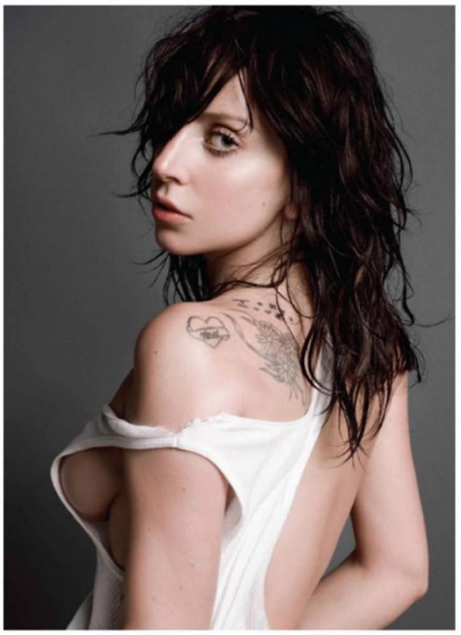
RADIO GAGA!

Back when Lady Gaga was sharing a pool with AJ in *The Sopranos*, whoda thunk she'd become a household name? (Excepting households without the internet or telly. Or microfiche). But now she is, even though no-one can name any of her songs, except for that one about the Poker Face or whatever. No, she's better known for other stuff, like wearing bacon, eating a unicorn, and whatever the fuck else modern pop stars get up to. This is your fault, Madonna. So, her getting her top twats out in a magazine (*V Magazine*, FYI) with a circulation of about 200? Not a big deal. Well, unless you like tits. Which we do.



We wouldn't pass that stool!

Gaga's tata's!

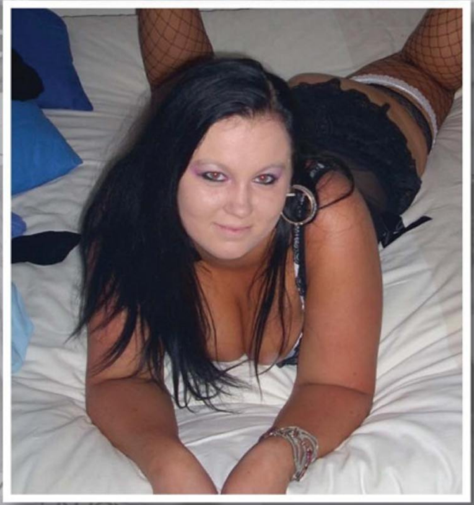
Grange Hill it ain't!

UP IN SMOKE!

There are various ways to get your dream career. Study hard, see a careers officer, take on work experience, get talent spotted. Joseph Michael Brannen of Brooksville, Florida, thought he'd take a shortcut to becoming a fireman by, erm, starting a fire. On July 6, firefighters attended a conflagration at the East Hernando Branch Library, but when they arrive they found a man in fireman's clothing already there. Brannen told the actual professionals that he'd heard about the fire over a scanner and had come to help, using equipment he'd bought on eBay. They told him to keep their distance, but further questioning led to him admitting he'd started the fire himself, which caused $500,000 of damage. Brannen, who had claimed on facebook that he was already a fireman, is surely going to feel the heat…

POLES APART!

"In Poland the subject of sex is still taboo and anyone who wants to fulfill their sexual fantasies is considered a deviant, a whore or mentally ill." These are the words of 21-year-old Ania Lisewska from Warsaw, Poland who, it is claimed, is aiming to travel the world in order to have sex with 100,00 men for at least 20 minutes each. We hope she realizes we'll probably leave her with 19 minutes to kill. Being the veterans we are, we know this is probably a hoax, and even if it was it would be defeated by sheer logistics. But as it's reported she's already shagged over 280 people since she started, she's already put us to shame.



Fancy being no. 100,000?

Beer World Records

Most people simply like to drink beer, but there are some smart arses that like to do mind blowing world records with it. Here are 5 awesome examples...

1) The strongest beer ever sold was called The End of History and had an abv of 55%. It was created by Scottish brewers, BrewDog, and cost £500 per bottle.
2) The record for the most beer mats flipped and caught is 112 and is held by Mat Hand, from Nottingham. It took him four hours and 129 attempts to beat the previous record of 111.
3) Most people are happy to use their hands to open a beer bottle, but one guy managed to open six bottles with a helicopter. You Tube it and see it to believe it!
4) The largest collection of beer bottles belongs to Ron Werner. At the last count in January 2012 he had 25,866 individual bottles and started his collection when he was just 14 years old.
5) We've all had a go at building a beer mat pyramid, but Sven Gobel built a whole house with five rooms and a fireplace, using 300,000 coasters and no adhesives.

Chat Up Lines

Vanity Fair conducted a survey and found the most effective chat up line was, "Do you have a map? I just got lost in your eyes." Here are 8 more of our favourite pulling punts. Some may think they're cheesy, we think they're classic...

1) Did it hurt when you fell from heaven?
2) Nice legs. What time do they open?
3) Do you believe in love at first sight, or should I walk past again?
4) I've lost my phone number, can I borrow yours?
5) If you are what you eat, I could be you by morning.
6) My magical watch says you aren't wearing any underwear. (Her: I am.) It must be an hour fast.
7) Do you mind if I stare at you up close instead of across the room?
8) Hi, I just wanted to give you the satisfaction of turning me down; go ahead, say no.

Royal FLASH

As TV goes, *The White Queen* is pretty average stuff. In fact, it's dull as dishwater. But it has boobs in it, so 'yay'! Philippa Gregory's book about the Wars of the Roses is a bodice-ripper at times, and here the bodices of several certified babes are well and truly ripped. Eva Ponsonby has a topless bath, but old queenie herself, Rebecca Ferguson, reigns when it comes to royal rumpy-pumpy!

JOOLS

Jools here got us making a bunch of jokes about 'royal jewels', the 'family jewels' and so on, but she ignored us. "I've heard 'em all before," she sighed. "Try harder." We did, and we failed. Luckily for us, Jools getting naked for these photos was not contingent on us being funny or making her laugh. So here's Jools: unamused, but very, very naked.

She's No Angel!

Bum DEAL!

Our resident porn legend Angel Long is known for her love of anal sex. Here she tells us why it rocks her rectum and shares some tushy tips with you…

Hello dirty boys and girls. Can you believe this is my ninth month of writing this blog? Wow, that has definitely gone quickly. I hope you have been enjoying reading them as much as I have writing them. It's been great because over the past few weeks I have been writing about some past experiences which is always very cool. Because when I write, I start to think about them again, which entails me normally getting just a little bit horny between the legs, which usually means I end up wanking ;-) so I enjoy it very much, ha ha!

I have been shooting a lot outside over the past few months as it's been great weather and it's just soooo naughty isn't it, the fact that you might get caught. Where's the naughtiest place you have fucked? The other day, when we were in Barcelona airport, I sucked and fucked some dick whilst in the disabled toilet… it was sooooo naughty as you can hear people walking around outside and trying to get in the toilet and there I was on my knees sucking dick ;-)) and then filming it in the mirror while he banged the fuck outta me…. Mmm was very naughty! I then watched it back while sitting there waiting for the plane. Little did the people sat around me know I had just swallowed a big load of cum and I had a wet pussy that had just been fucked… kinky little bitch!

Ok, so now on to what I want to talk about in my blog today: anal sex. People either love it or they hate it, what do you think? Me, personally, I love it, always have and always will. I don't just like it in my porn life, I also love it in my personal life. Why do I like anal sex so much? Because it's naughty, it feels soooooo good, it makes me cum soooo hard and I think it looks dirty in porn. I'd much rather get fucked in the arse on a porn set than in my pussy. Now, if you're gonna give anal a go for the first time, here are a few tips for the girls

No.1: The first time you do it make sure you're with someone that is gonna respect you because damn it is gonna hurt like a bitch if he just rams his cock in your arsehole.

No.2: Remember to relax. Anal sex is all about relaxing to get the cock in past the muscles of the butt. If you tighten up then fuck me it's gonna hurt!

No.3: Make sure you have plenty of lube on your butthole and on his cock .

No.4: Just enjoy. Once you have relaxed and realised you actually quite like the feeling of cock in your arse, you are going to have an amazing time of arse fucking. If you're lucky enough you will possibly get a nice hard orgasm from anal sex. It makes my pussy drip cum and my clit throb. Mmm, think I need some anal sex right now because I am getting a tingle in my clit.

So, all in all, most people who try anal sex like it, but some peeps just don't like it at all, which is all cool. But I'm one of these peeps who believe you need to give things a go at least once to see if it gets you off. So, what are you waiting for? Go see if you can fuck someone deep in the arse.

Enjoy, I'm going for a wank and then a deep anal fuck while I think about some of you doing the exact same thing.
Love you guys.

JENNA-RATION XXX!

Jenna Haze is a cute all-American girl who just happens to have a penchant for massive penises in her backdoor. The modern day porn legend tells us why she loves blowjobs and bondage, and why she thinks double anal is a bit 'gay'…

Hey Jenna! Let's start at the beginning – when did you first have sex?
Haze: I was 14. I had sex with this guy to piss off the guy I was dating before. I was dating this one guy and I really wanted to lose my virginity to him, but we tried a couple of times and it hurt and I couldn't really do it. He broke up with me because I wouldn't do it all the way. So I went and fucked his best friend.

Did he ever find out about it?
Haze: Oh, yeah. We ended up hooking up later.

How was the sex?
Haze: The first time? It was alright. It wasn't special or anything. It wasn't incredible. I wasn't really into the guy or anything. I just wanted to get rid of my virginity. I've learned that over time sex gets better and better and better.

Do you masturbate?
Haze: I'm a chronic masturbator. I've been using a Pocket Rocket since I was 16 years old. That's my absolute favourite, and my vibrating remote control butt plug is amazing. I like to use the butt plug while I'm getting fucked in my pussy. Then the guy can feel it vibrating inside me.

How often do you masturbate?
Haze: It depends on how much I'm working. This week, probably four or five times. When I'm not working, twice a day and it also depends if I'm on the road or I'm getting fucked by my boyfriend. I masturbated once this morning, after I got fucked.

You were exclusively gay for pay for a few years. Were you bi in your personal life before you got into the industry?
Haze: Yeah, I messed around with girls before I messed around with guys. I would play around with girls in grade school. As I got to be a teenager, I started messing around with my girlfriends a little bit more. Around 13. The first time I went down on a girl was at 15.

Why did you stop doing guys and only do girls?
Haze: It started after I signed with Jill Kelly Productions. It got very difficult because my ex was the cameraman. It was kind of awkward to do guys and be with him. I decided to quit doing guys for the sake of the relationship. Jill gave me the option to only do girls whenever I wanted to. She knew I wasn't going to do guys forever. We discussed that when I signed the contract. That was really cool of her.

And, not that we're complaining, but why did you go back to doing guys again after a three-and-a-half year break?
Haze: Yeah, that started again when I did my movie *Jenna Haze Dark Side*. I hadn't done guys in a long time. It was awesome. After I left JKP, I looked around for a contract and I couldn't find a place that I was completely happy with. I was already dating Jules Jordan at the time and he said why don't we do this movie of you? So that's how that came about. Then I started working for other people, getting more boy/girl stuff. I've been doing at least one boy/girl a week, but I don't work more than two days a week, usually.

Why do you like girls?
Haze: They just feel different. Girls are a lot more interested in touching and kissing. Their interest in fooling around with another girl is a lot different from a guy. A guy just wants to get off. Whereas a girl is more interested in playing and touching and kissing. I would say I like my women for fun and men for relationships. I love them both sexually. I could never give up men unless I got married or something. I would say I definitely lean towards men a bit more.

Why?
Haze: A guy can do something a girl can't. A girl gives me something a guy can't, but at the same time I kind of like what a guy does for me a little bit more. A little bit more fulfilling, I think. Sexually and emotionally.

Do you like multiple partner sex, like threesomes?
Haze: In my personal life? No. If I'm in a relationship as I am, I'm completely monogamous. I've made out and kissed girls and my boyfriend said it was okay. But I won't ever let a girl into my relationship. Professionally? Of course. On the set, anything goes.

What's your favourite sex act?
Haze: Blowjob.

Why?
Haze: I don't know. There's something about having a cock in my mouth. Just thinking about it now gets me hot. I don't know. It's just so hot and erotic to me. I love to give head. I could do it all day long and never get tired of it. My lips would get sore before I would want to stop. I always said I should have been a fluffer.

What is your favourite sex position?
Haze: Doggy style and Missionary.

Why?
Haze: I'm very submissive when it comes to being with a man. I like the guy to be in control of me. I'm not really into being on top. I like to be dominated and I like to be fucked. I don't like to be the one to do all the work and stuff. I want a guy to be all over me and fuck me and throw me around and sit on top of me so I can look at him.

What made you decide to do anal on screen?
Haze: I've always done anal. Since my first scene in the business. It was *Joey Silvera's Service Animals 4*, back in 2001. I do about one boy/girl anal a week now.

Did you do anal in your personal life before you got in the biz?
Haze: Yeah, I did it with a couple of boyfriends. I tried it with my ex back when I was a teenager. The first time hurt. I bled a little. I wasn't that gung ho about it. Then I met another guy. He had a really big cock, but he knew how to use it. We had a crazy sexual adventure. He gagged me, blindfolded me, tied me up with my butt in the air and fucked my arse. I couldn't even do anything about it. It was extremely hot. It didn't hurt. It was just really good. That's when I thought, okay, I like this sometimes.

Was being tied up and helpless a pleasurable aspect of it?
Haze: Of course. I'm very much into bondage. Very much into roleplaying.

What is it about role playing that you like?
Haze: I'm very much more of a submissive with men. It's very hard for me to be dominant with a guy. I don't know why. I feel like a man should just take me and make me his, you know? Hair pulling. A little light slapping. A little light choking. Spanking. It can all be fun. But with a girl I can switch roles. I can be dominant or submissive. I'm learning how to be pretty dominant with girls. Sex is so multi-faceted. There're so many aspects of horniness in there, and I enjoy 99% of them.

What about double penetration, double anal, personally or professionally?
Haze: I would never do double anal in my entire life. You couldn't pay me a million dollars to do that. I'm sorry. I think that's a little gay.

Oh, for that reason. Not because it's putting pressure on you. But the guys working so closely together?
Haze: Both reasons. First of all, I'm way too tiny for that. I did my first DP my first week. I've only done a few DPs in my career, and it's pretty hard on my body because when one guy pops in, the other guy pops out. You know? I'm really small and all my holes are very tight, so it's very difficult for me to do it.

Double anal or double vag would be completely out of the question, and I don't like the idea of double anal. Two guys rubbing their dicks together? That's a little too gay. People can say it's fine, but I don't know. It weirds me out. It's not my thing.

Do you like facials or do you prefer to swallow?
Haze: I'd rather swallow. I love the feeling of a guy cumming in my mouth. Just that hot burst against the back of my throat is so sexy. I love to feel that. I don't mind getting it on my face at all. It's pretty hot.

Creampies?
Haze: I'm kind of a little bit… I've done them and they can be hot, but for me that's something that's way more sexy when you're with someone you love. It's something I love to do if it's my boyfriend. I've done it in movies and it's fun and it's hot, but it's something a little bit more personal for me.

Cum swapping?
Haze: Oh, that's hot. Oh, yeah. Ooooh. I love it with another girl. Yeah.

Is there anything you'd like to do that you haven't done?
Haze: There are people I'd like to do that I haven't done. I'd like to work with Jenna Jameson and Tera Patrick. I have a list of girls I'd like to work with. I finally got to work with a guy I wanted to work with, Rocco, on *Fashionistas 2*.

What was that like?
Haze: It was amazing. It was the craziest scene I've ever done. He was slapping me around and I couldn't believe I took him in my arse in four positions. He's huge. His cock is huge. I was like, 'oh my God. That thing's not going in my butt'. But it did. I pulled it off. It was awesome.

Do you have a favourite fantasy?
Haze: I've done pretty much everything I wanted to do on camera. I would like to do a scene with Mandingo. He's so huge. His cock inside of me would just look insane. If I got the chance, I wouldn't turn it down, that's for sure. My favourite interracial scene I've done was with Mr. Marcus, in *Jenna Haze Dark Side*. It was awesome. It was hot because I think I like the taboo of it. People go, 'Oh my God, look at the big black cock in that little white girl'! Black guys have such great cocks, and those lips, which are perfect for kissing. Mmmmmm. I'd really like to have a black guy and white guy at the same time. That would be hot. One in each hole.

Amanda SEYFRIED

Taking a role as infamous *Deep Throat* star Linda Lovelace in *Lovelace* is pretty much a guarantee of rudeness. And Amanda Seyfried doesn't disappoint in a stellar performance. Of course, we don't get to see her taking a dick down to its root in her mouth, but did we ever expect that? Actually, we did a bit...

FAKING it! STAR of the MONTH...

Cate Blanchett

Beach Hut SLUT!

I can't stand cold, gloomy British winters so when I got made redundant last November, I decided – having no real ties or responsibilities for the first time in my adult life – to spend a chunk of my payoff on a long trip to Thailand, living on the cheap to stretch it out for as long as possible.

I rented a little hut on a beach – more like a campsite with one lot of shared toilets and showers. And if I was freaked out by the idea of living somewhere so basic, I soon got over it. It helped that the locals and my fellow beach bums were friendly – on my third night I met a lad from Finland, Olli. His English was really fluent – he even taught me a couple of dirty words I'd never heard before! He was also fit as fuck and so I spent my days lounging on the sand with him, and nights getting screwed stupid by the hardest dick I'd ever taken.

Obviously, I wasn't the only Brit there – in fact the guy from a couple of huts down was a Glaswegian, Greg. He was a dirty sod – after a week or so I barely turned a hair when I saw him stagger back with a local woman on each arm – and he was letching openly over me. I didn't blame him, if I say so myself – I was slimmer from eating light Thai food, and all toned and tanned from all the swimming, walking and lying about in the sun I did.

Olli wasn't the jealous type – in fact, he got a buzz out of winding Greg up and encouraged me to act sexy around him. Like, if I went to wear a T-shirt to the beach bar, he'd tell me to take it off and let Greg see me in my skimpy bikini. One afternoon I was lazing around in the hut when Olli came in and whispered, "Greg's tossing himself off!" I'd had my headphones in so I hadn't heard a thing, but when I listened, it was pretty obvious that's what he was doing.

Typical of Olli's dirty mind and sense of humour, he said we should give Greg a bit of "wank fuel" – and as he was already stroking me through my bikini bottoms, I didn't say no. He rubbed me through the fabric then pulled them sideways so he could get his fingers in my slit. I was used to trying to muffle my moans and screams when we screwed, but now I just let myself go and realised how much a part of the turn-on they were for me.

Olli was wearing a pair of swim-shorts, so I had his cock out in seconds. He was already hard but I gave him a few bonus hand-strokes before taking him in my mouth for a blowjob. We got a bit of a commentary going, Olli telling me to suck him harder, take him deeper or lick his helmet. I couldn't have spoken with a mouthful that size even if I'd wanted to, but when I popped him out to take a breather – keeping him on the boil with a spit and pre-cum lubed wank – I kept gasping about how huge he was.

We were keeping an ear open for Greg's reaction, listening when we should have been looking – it took us ages to realise he was actually outside, watching us through a little hole in the window blind. And it seemed he had a hand down his shorts, wanking as he enjoyed the show. Now Olli, doing a perfect pisstake impression of Greg's Scots accent, said, "Hey, pal – wanna join in? I don't think my wee dick's gonna be enough for this lass."

We thought he'd freak out and run a mile, but he came in and said, "Are you sure?" Olli said yes but Greg asked again, looking at me this time. I wasn't going to spit the mouthful I was gobbling but I nodded a pretty definite yes and gave him a thumbs-up. I'd been satisfied – slightly spoiled, if I'm honest – by the size of Olli's dick, and going by his skinny, wiry body Greg didn't look like he'd have as much to brag about. But if he didn't have much meat on him all over, he had plenty where it mattered. I felt myself goggle at the huge, wank-hardened length he got out of his shorts.

Christina

Olli saw I was impressed and grabbed the back of my hair – not roughly, just to tell me to get my mind back on the job, making it clear who was the alpha male here. And I really went for it, taking him in as deep as I could and rubbing his balls up against my chin. Greg, not quite sure what to do, just stood there wanking, and I followed suit. The cock in my mouth with another one going spare got my empty pussy twitching and aching.

I planted my knees apart, cunt tilted up and splayed by my fingers, inviting him in. But the second he made a move, Olli pulled out of my mouth, got in behind me and rammed his cock in my snatch. I heard Greg moan – maybe in frustration or just at the live porn show he was getting. And while I felt relief at Olli fucking me – I'd have made it pretty bloody clear if I'd objected – I was a bit annoyed at him for screwing me like he owned me.

I kept looking at Greg, trying to catch his eye, then I winked at him and licked my lips. He walked around the front of me, palming his pole right in my face. I got a good eyeful of it – not literally! It was huge, red and swollen, the skin stretched so tight and smooth I licked it to see how it felt as well as tasted. It was hot and salty against my tongue and I thought he'd cum in seconds but when he looked to be in control, I started sucking him, further into my mouth and

harder each time.

When I had half of his shaft crammed in, my moans were muffled, prompting Olli to bang me harder. He'd thrust in and out, thumping up against the head of my pussy then almost slipping out, then he'd fuck me deep, reaching under me so he could rub his hairy balls against my pussy lips. The harder and deeper he fucked me, the more I was forced on to Greg's prick – he was too big to deep-throat comfortably, so I wrapped my hand around his root, controlling how far he slid in. This meant I could let him fuck my mouth however he wanted.

If you'd told me, while I was slaving away at my stupid, boring job, that I'd end up in a beach hut, one hard cock ploughing me at each end, I'd have laughed in your face. But there I was, and now both guys were on the brink of cumming. Olli was trying to pace himself but Greg didn't even try. He groaned that he was there and the next thing I knew, I was taking two ballsful of jizz in my mouth.

He sprawled back, a bit dazed – like he didn't quite believe this either – then Olli hit the vinegar strokes. He grunted and I felt one hot jet inside me, then he pulled out, slapped his wet prick along my arse-cleft and blew his load all over my back.

Greg tried to sneak out so I said he'd better just be nipping off to get his sleeping bag, as we'd only just got started. Meanwhile, Olli rubbed his dick in the pool of cum, smearing it all over my cheeks and down my crack.

Once Greg was back, I lay in between them, letting them have their fun with me. I asked if either of them fancied doing me up the arse, but I already knew Olli wasn't into that and I think he must have given Greg an evil look because he slid up my pussy instead. Not that he didn't sneak a thumb into my bum while he was pumping away!

One cock is more than enough for me but two was a treat – I'm convinced I cum harder if I'm sucking on a dick as I get screwed. Unfortunately, I didn't get much more threesome fun, as Greg left to see more of the country a couple of days later. I hung around for a week or so after Olli went home, but it wasn't really as much fun with him gone and my money was running out anyway.

I'm back in the UK and temping until I've got enough cash to go away when it gets really cold and dark – I'm not sure where to yet, but if it comes close to living up to my dirty Thai adventure, I'll be happy!

If you're a Bond girl, chances are that you're fit. Ukrainian hottie Olga doesn't disappoint in that regard, even if *Quantum of Solace* wasn't exactly a classic. Adult Sport trawls the wank banks to celebrate our formative fuck-fancies...

It's not usually the business of this column to spend time with those still active in the porn biz. But, to be honest, we get the feeling that the indefatigable Nina Hartley will outlive this magazine. She'll outfuck us too. She made her debut in 1984 and, nearly a full 30 years later, is still making porn films like they're going out of fashion.

It's not like she started out in her late teens, either. Nina was 25 when she starred in *Educating Nina*, and at 54 years old she's still licking pussy, sucking dick and taking massive cocks into her pussy and arse. She was inducted in the Hall of Fame at a time when most of today's starlets weren't even born. Yet Nina isn't just an endlessly energetic porn queen – she's also an activist and spokesperson. The graduate nurse has stood up for porn on TV and in print (and in film, with her memorable role in *Boogie Nights*), while living a polyamorous lifestyle and making her own series of sex guides for Adam & Eve. We're tipping her to have in excess of 1000 credits to her name by the time she retires. If she ever retires...

A- Z of Great Sex

There's more to sex than just the Big 'O'. In this two-part feature, we take a look at the other 25 letters of sex. This issue we tackle A - M

by Rose Crompton

A is for anal

Whether it's a cheeky finger, a butt plug, or penetrative sex up the bum, playing with this area during sex can add new sensations. "The nerves in the anus are incredibly sensitive," explains Charlie Glickman PhD, sex & relationship coach and author of *The Ultimate Guide to Prostate Pleasure*. "The muscles of the pelvic floor squeeze during sex, especially during orgasm. Anal penetration can intensify that sensation, making it feel even better." For male prostate stimulation, leading to harder orgasms, Charlie recommends "a 'come here' motion, making circles with your fingertips, or try an in-and-out motion while maintaining firm pressure and ensure your partner doesn't forget to include cock stimulation at the same time."

C is for condoms

Rubbers are sexy. There's more on offer these days than natural or ribbed and dotted, so experiment! Try some new textures with the Tantric One Condoms (£9.99, *Lovehoney.co.uk*), or if you find it difficult to find a comfortable fit, check out *TheyFit.co.uk*. D is for domination

Taking the lead in sex can be hot. The key is confidence says professional male Dominant, Vestra (*Vestra.org.uk*): "Dominance isn't about aggression, nor is it control of your partner; it's of yourself. The best dominants don't succumb to their lust or frustrations, they focus upon their partner, playing them like an instrument to the best possible effects. Temper yourself, so you can both reap the reward," he advises. Obviously always agree a safe word or use the traffic light system before you start too.

E is for erotic massage

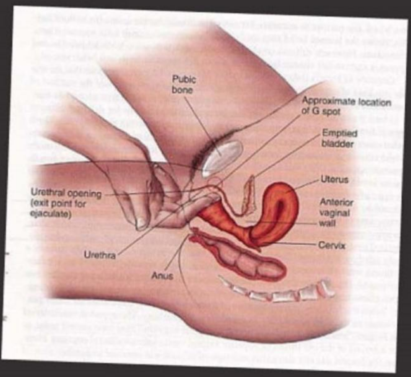
"Many women loved to be desired and devoured," says professional erotic masseuse, Colin Richards (*Massage33.com*). "Giving a woman a full body, sensual massage that probes, cajoles and coaxes the female out of her respectable mask is an effective form of being in command. When giving a sensual massage to your partner whisper seductively in her ear: "In this massage I am going to explore your body in what ever I want but if I do something that you don't like, then you must say so." This way she will enjoy the anticipation of what's to come but at the same time feel safe and you may be surprised at how many boundaries she lets you cross!"

F is for fantasy

Most people fantasise during sex. Whether or not you choose to share sexual fantasies with your partner and maybe even play them out, is up to you, but visualising what turns us on the most is a sure-fire way to really heat up the moment.

G is for g-spot

Ah, yes. That elusive area that's sometimes easy to hit and sometimes not, but it definitely does exist. The key is to go searching for it when your woman is already highly aroused as the area swells and becomes enlarged, thus making it easier to find.



Pubic bone
Approximate location of G spot
Emptied bladder
Uterus
Urethral opening (exit point for ejaculate)
Anterior vaginal wall
Cervix
Urethra
Anus

H is for hot spots

Nipples, bottoms, the clit: these are all really obvious erogenous zones. Think outside the box; try stroking the backs of her knees, the nape of the neck, small or her back or inside of her elbows. Use just the fingertips to stimulate these thinner, sensitive areas of skin to heighten her arousal.

I is for inventive positions

Don't just stick to you on top, her on top and doggy. Check out *SexInfo101.com* for some truly inspiring new moves to add to your bedroom repertoire.

J is for joke around

Sex is supposed to be fun and sometimes funny things happen. Never be afraid to laugh and mess around.

K is for kissing

Give your lover a long, slow, deep kiss. There's not enough sexy kissing these days and it's a sure-fire way to get a woman aroused, especially when guys do that holding-the-back-of-our-head thing like in the movies. Swoon.

L is for lubricant

A tube of lube should be on every bedside table. Put simply, it makes sex feel better for everyone. There are so many different ones to try – flavoured, sensations, ones you can freeze! - that working your way through them can be just as exciting as the act itself.

M is for multiple orgasms

This isn't just for women. Orgasming and ejaculation are two different things. Learn how to control the latter through breathing techniques and you'll be able to enjoy all of the sensations of the former lots of times.

Stay tuned for N-Z in next month's Adult Sport.

NIKKI & KATIE

WorldM

We generally like to be polite and respectful to the girls who appear in *Adult Sport*. But Nikki and Katie are perfectly happy for us to refer to them as sluts. In fact, they demanded it. Furthermore, to quote Katie, "You can call us cock and fanny-obsessed slappers who love fucking and cumming all the time!" Their words, not ours...

Drew BARRYMORE

Oh, Drew, why do you frustrate us so? It seems like years since you last shared your fleshy charms with us. In fact, it has been years. You were once our Editor's favourite – he reserved 27% of all his ham shanks just for you – but you've been under wraps since 1994, and the double whammy of *Boys on the Side* and *Bad Girls*. Come on love – let's see them again, for old time's sake...

HARLOTS WEB!

Young Harlots - Italian Job

Starring
Samantha Bentley, Coco Del Mer, Mira, Henessy, Emma Leigh, Lucy Heart,
Marco Banderas, Tony De Sergio, Yanick Shaft

Directed By
Gazzman

Available From
Harmony Films

The continued existence – and success – of the *Young Harlots* series, shows that some things never go out of fashion. You just can't go wrong putting a hot porn bird in a college girl's uniform. We're not sure that much of educational use has ever been passed down to the numerous girls who have attended the various academies in the history of this series, but we do know that these girls have learned how to fuck, if they didn't already know.

Actually, we've seen Samantha Bentley and Henessy fuck before, and they both definitely know what they're doing. Sam hooks up with professional gurner Marco Banderas in a scene that shows her at her finest – gagging on a fat cock and then taking it up the wrong 'un. Your intrepid on-set team dutifully tuck their hard-ons into the waistbands of their boxers to hide them.

We've never seen Lucy Heart fuck in the flesh before – and we break our cherry by watching her get a royal bumming that leaves her weak at the knees. Us too. Henessy, who is magic with a cock, takes a break from the bangstick and indulges in some girl/girl with Mira. It doesn't make the action any less tame. And yet, as she and Mira plunge toys into each other, we can't help but lapse into that old fantasy where the two lesbians turn to us and go, 'We'd like some real cock, please'. That doesn't happen, but what does happen is well worth watching.

We missed the gorgeous Coco Del Mal's scene, but we definitely stuck around for Emma Leigh. This buxom beauty has cropped up in our sister magazines, but never on the end of a dick. Suffice to say, she fulfils all our wank fantasies – she knows her way around a wang. We're not sure who picked up any Italian on this trip, or took in the splendour of Venice, but we know for sure that many a dick took a dip in a canal...

Buns of ANARCHY

It might be because of its presence on Fox channel FX, but *Sons of Anarchy* has never quite delivered the levels of T 'n' A it should have. After all, it's about a biker gang who at one point run a porn sideline. And it has frequently featured real-life porn stars in background roles. Hell, the gorgeous Winter Ave Zoli plays a porn star in it, and she's been in it for years. Okay, she's Lyla, a reformed porn star but still, would it hurt to show us a bit of bum, tit or double vaginal-double anal action? As the otherwise excellent show heads into its last season, we're pleading with the powers-that-be: More nudity, please.

Kim
BASINGER

Another former Bond girl, Kim Basinger's career has seen her progress from international sex kitten to MILF – but we've always been able to glop off to her. The nudity has dried up on-screen now, but that's why evolution invented DVD's, and her perky boobs look magnificent in *9 1/2 Weeks*, *The Getaway* and *Never Say Never Again*. We never say never, we'll definitely lose some more white stuff over Kim...

WorldMags

SAHARA

What a multi-talented wonder Sahara Knite is. A beautiful, stunning model (as seen here), an intense, horny porn star (as seen in various adult films) and a fine little TV actress (as seen in *Game of Thrones*). The common thread? We took our penises out of our pants to every one of those things she did.
